Dear Steve,

Thank you for being an integral part of the TSAE Luncheon Speaker Showcase. The overall goal was to provide quality speakers to our attendees for their consideration for future bookings. Your presentation "Enjoy the Ride" was a hit. There were several people at my table that said "He's talking to me!" You have a great message and your delivery is very enthusiastic and entertaining.

Again, thank you on behalf of the Texas Society of Association Executives, and all of those who attended the luncheon.

Sincerely,

Linda D. Rudwick
Special Projects Director
